

## Product Features

- **Powerful Cleaning Performance: 13,000 Pa Suction (Vormax™ Standard):** Among the strongest in its category, delivering exceptional suction power to tackle hair, dust, crumbs, and fine debris effectively.
- **Carpet Boost:** Automatically increases suction on carpets for thorough dirt removal on dense fibers.
- **Smart Navigation & Mapping: Smart Pathfinder™ Technology:** Full LiDAR navigation enables precise mapping, accurate obstacle detection, and efficient cleaning route.
- **Edge Safety & Climbing Capability:** Cliff sensors prevent falls, and the F10 can climb thresholds up to 20 mm—ideal for transitioning between different floor surfaces.
- **Extended Runtime: 5200 mAh Battery:** Enjoy up to 300 minutes of continuous operation, capable of covering roughly 270 m<sup>2</sup> on a single charge.
- **Auto Recharge & Resume:** The F10 will automatically return to its dock when battery runs low, recharge, and resume cleaning from where it paused.
- **2-in-1 Vacuum & Mop Functionality**
- **Dustbin & Water Tank:** Combines a 570 ml dustbin with a 235 ml water tank for seamless vacuum and mop operations.
- **Adjustable Water Flow:** Three levels of water control allow tailored mopping for different surfaces.
- **Pet-Friendly Design**
- **Floating Rubber Brush:** Engineered to resist hair tangles and maintain consistent suction across tiles, wood, and carpets—perfect for homes with pets.
- **Smart App & Voice Integration**
- **Flexible App Control:** Create and manage multi-floor maps, no-mop zones, virtual boundaries, and cleaning schedules.
- **Voice Control:** Compatible with Amazon Alexa, Google Assistant, and Siri for hands-free convenience.
